

**ICR** 2019  
8-10 JULY

**THE 6TH ISRAELI CONFERENCE  
ON ROBOTICS**

**IROB**

האיגוד הישראלי לרובוטיקה  
THE ISRAELI ROBOTICS ASSOCIATION

**Call for Participation**  
**Robotics Innovation Challenge**  
**Israeli Robotics Conference**  
**ICR2019**  
**9 July 2019**

**Submission deadline:** ~~15/05/2019~~ **15/6/2019**

A Robotics Innovation Challenge (RIC) will be held on 9.07.2019 at the Israeli Conference on Robotics 2019. It is intended to encourage the development of innovative products and services in the robotics and related fields.

Conference website: [www.icr2019.org.il](http://www.icr2019.org.il)

Potential participants (inventors and companies) are invited to submit an application that describes the product or service that constitutes a viable solution at the level of an idea, working prototype, or commercial product.

The applications will be judged by a committee of experts from academia, industry and venture capital funds. In addition, the ideas will be presented to a selected group of local and foreign investors and key industry players.

The Robotics Innovation Challenge is open to inventors and companies at all stages of development in robotics and related fields, such as medical robotics, assistive robotics, agriculture, industry, autonomous vehicles, drones, sensors, artificial intelligence, machine learning.

**Submission:**

Applicants will fill out the registration form in accordance with the instructions detailed therein. Please submit to [innovation@icr2019.org.il](mailto:innovation@icr2019.org.il)

Deadline for submission 15.06.2019

Participation in the competition is free of charge.

## **The evaluation process**

The proposals will be evaluated by a committee of experts that will select:

- Up to 20 products for presentation at the "Innovation Avenue" at the Israeli Robotics Conference
- Up to 10 products for presentation at a special session at the Israeli Robotics Conference to local and foreign entrepreneurs and investors
- Five winners

## **The selection criteria:**

- Innovation
- Technological feasibility
- Business potential

## **Prizes:**

Top 1-5 products will receive a certificate

Top 1-3 products will receive cash prizes and a support package sponsored by the Israel Robotics Association and the Innovation Authority.

The top 3 winners will be invited to join the Israeli business delegation and exhibit at the Israeli Pavilion at the World Robot Conference (WRC) 2019 to be held in Beijing during 20-25 August 2019.

For details and clarifications, please contact [innovation@icr2019.org.il](mailto:innovation@icr2019.org.il)

## **Schedule**

Submission deadline: 15.06.2019

Notification of acceptance: 20.06.2019

The final presentation (at the conference): 9.7.2019

## **Rules of the competition**

Participation in the Robotics Innovation Challenge constitutes the full and independent consent of the Participant to the Competition Rules and to the form of consent to be signed by each participant.
